

GIRLS' SCHOOL GIVES \$1,010 TO RED CROSS

Congressional Ball Game Expected to Bring \$2,000 in Receipts.

Additional "in memoriam" gifts were received by the Red Cross finance committee yesterday, together with a number of others, including \$1,010 from the Girls' School, the largest amount yet contributed by a girls' boarding school.

Chairman Macfarland said that he believed that every man, woman and child would be represented in the giving now that the city has waked up to the opportunity of the war service fund.

Arrangements for the Congressional baseball game, for the benefit of the Red Cross, are to be made by a committee, of which Melvin C. Hazen is chairman, in co-operation with Representatives Miller, of Minnesota, and Harrison, of Mississippi. Representative Miller wrote Chairman Macfarland yesterday that he believed the game would net \$2,000 for the Red Cross war service fund.

FRECKLES

Don't Hide Them with a Veil! Remove Them with the Othine Prescription.

This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold by any druggist under guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely. Be sure to ask the druggist for the double strength othine; it is this that is sold on the money-back guarantee—Adv.

fund, which is to receive the entire receipts. Contributions "in memoriam" follow: Maj. C. S. Walton, \$25; Gen. J. A. Logan, \$5; U. S. Sanitary Commission, \$5; Gen. Frederick Funston, \$2; A. S. Solomons, \$5; C. A. S. civil war nurse, \$2; R. T. S. civil war nurse, \$2; Gey, Alexander R. Shepherd, \$5; Colton Maynard, \$10; W. R. S. S. C. N. S. S. Through T. W. Sidwell—Pupils of Mt. Vernon Seminary, \$1,010; Mrs. L. J. Bell, \$2; Col. J. A. Landen, \$5; Elias Electrical School, \$18.50; Dr. and Mrs. S. C. Mason, \$5; Miss Ella C. Clephane, \$5; employees of House and Herrmann, \$40; A. D. Cobey, M. D., \$20; F. E. Upton, \$100; Hazard K. Griffith, \$5; Jesse Baker, \$5; Louis Hoffman, \$5; Katherine Mimmack, \$5.

EXPLORER'S WIFE JOINS DISTRICT A. A. CLUB

Embassies and High Government Offices Contribute to Personnel of Body.

Maintaining its reputation for having more distinguished members than any other motor organization in the world, the A. A. District of Columbia Club last week added to its roster the names of Mrs. Robert E. Peary, wife of the noted Arctic explorer; M. de Freye, charge d'affaires of Peru; United States Attorney John E. Lasky; and Admiral John M. Hawley, U. S. N. Practically every embassy, every legation and every high government office in Washington is well represented in the club. The army, the navy and both houses of Congress have contributed generously of their numbers to make the club a sterling organization.

Other new members are: W. B. Westlake, Ord Preston, M. M. Macomb, Miss M. L. Beckwith, Henry E. Fallow, Joseph M. Furnas, Hennen Jennings, D. F. Asbury, Lemuel H. Windsor, A. A. Richards, Conrad M. Chaney, and Fred A. Spicer.

To enable an automobile to pull itself out of a mudhole there has been invented a feel of broad tape, which, when fastened to a mud wheel, is unwound by it to form a dry pathway.

MISS LACEY HAS BEST CARD IN FIRST ROUND

Top Women Golfers in Handicap Medal Play for Star Cup.

Miss Louise E. Lacey of the Chevy Chase Club had the best card in the first round of the handicap medal play event for the "Star" cup which was played on the Chevy Chase course yesterday. Miss Lacey was around in 106, 13 each way, getting both low gross and net counts, her handicap of 12 giving her a net of 94. Her card was:

Out 567367685-53
In 37576785-53-106-12-94

It is possible, however, that Miss Lacey will withdraw from the event on account of a misunderstanding, but her friends hope to be able to persuade her to continue in today's final round.

Chevy Chase furnished the first five leaders as Mrs. Charles L. Fralley, 98; Mrs. Fleming Newbold, 99; Miss I. T. Mann, 101, and Miss Pauline Lockett, 102, finished in the order named.

Madame Elengren and Mrs. S. B. McKinney, of Chevy Chase, and Misses Alice Short and Edna Patterson, of Rannokburn, competed but failed to turn in cards. The event will end today with the final round at eighteen holes. Summaries:

Handicap, gross, net.
Miss Louise E. Lacey, Chevy Chase 106 13 94
Mrs. C. L. Fralley, Chevy Chase 98 12 86
Mrs. Fleming Newbold, Chevy Chase 99 13 86
Miss I. T. Mann, Chevy Chase 101 14 87
Miss Pauline Lockett, Chevy Chase 102 15 87
Mrs. Susan Racker, Chevy Chase 114 12 102
Mrs. H. C. Newell, Columbia 125 12 106
Mrs. C. D. Langhorne, Chevy Chase 124 13 106
Mrs. E. Edwards, Chevy Chase 129 10 109
Miss Bertie Loker, Washington 129 10 109
Mrs. T. W. Brashy, Columbia 129 10 109
Mrs. George Herring, Rannokburn 129 10 109
Mrs. L. O. Chambers, Chevy Chase 129 10 109
Miss Alice Burdick, Rannokburn 129 10 109
Miss A. M. Doyle, Columbia 129 10 109

Mrs. C. H. Crawford, Rannokburn 145 21 124
Mrs. J. H. O'Hara, Columbia 145 21 124
Miss Lillian Harris, Dorn and Cady 145 21 124
Miss Eleanor Moffet, Washington 145 21 124
Miss Ruth B. Richards, Rannokburn 141 30 112

CONVICTS ARE USED ON OKLAHOMA ROADS

In Oklahoma, prison road camps are no longer in the experimental stage. They have become an accepted institution in the State. In the central and southwest sections, prisoners are building the Ozark trail; in the southeast, they are grading the Jefferson highway, and in other districts they are assisting in the local good road movement.

The National Committee on Prisons and Prison Labor reports that all counties in Oklahoma are permitted to use as many prisoners as they wish in the building of roads. The county pays the excess cost of their maintenance over the amount which would have been necessary had they remained in the State prison. It is estimated that about thirty counties now have prison squads working on the roads of Oklahoma.

An interesting situation has arisen in Harmon county because the county seat, Hollis, has been left off the Ozark trail. The county is reported to hinder the road development of the State. The prisoners from McAlester who had been working in the adjoining Greer county have moved into Harmon, where they are continuing the Ozark trail, for which the people of Harmon refuse to pay their share.

During the present national crisis the willingness of the convict to do effective work is of great importance, since he can assist in the building of better highways, which will make the transportation of food more easy. The success of the Americans in this war is associated with good roads, over which the products of the West can be carried to the railway centers and from there transported to the armies at the front and to the allied nations.

Alien Permits Period Extended by Gregory

Acting upon orders from Attorney General Gregory, United States Marshal Maurice Spahn has ordered his deputies to "rest on their arms" before descending upon any alien citizens of enemy countries who may be residing within the barred zones without special permits.

The Attorney General yesterday extended the time in which aliens may make application for permits to reside within the zone until June 8. In the meantime the marshal and his deputies are making a thorough canvass, checking and rechecking up their work, so that when the time comes for the decree to be rigidly enforced, no alien may put a legal obstacle in the way of its enforcement.

So far less than a dozen applications have been received from German subjects, and not one of these has been approved.

New Firestone Tire.

Combining all the merits of the best cord tire construction with the advantages of a tread, the Firestone Tire and Rubber Company has announced the production of a new and distinctive equipment—the Firestone Super-Size Cord tire.

It is the result of three years of experimenting and testing by a score of tire engineers, builders, testers and chemists. They sought a product that would be a definite and conspicuous improvement in cord tire construction.

The principal advantage of a cord tire is its superior resilience and wearing qualities. It absorbs road shocks, instead of fighting them and because its fabric is so interwoven but made up of thousands of strong heavy cords imbedded in tough pliable rubber, the cord tire has less internal friction.

The over-size fabric tire was also designed for exceptionally hard service, because of its extraordinary strength and strength and has easier riding qualities. Firestone has combined the best cord tire merits with the advantages of over-size construction in the new Super-Size Cord.

Every Firestone Super-Size Cord is an over-size tire, having the same relative dimensions as the ordinary over-size fabric equipment. It is being built with two types of tread. For wear where there is the Skidless Double F. angled against slip in any direction. The approved front wheel equipment in the triple tread with a corrugated surface and which, like the Double F, has its cord body reinforced with specially treated tread rubber of the toughest and best wear-resisting quality.

New Roamer Car Agency.

The Jennings Motor Sales Corporation, 1315 New York avenue northwest, has taken over the distribution of Roamer cars in this section.

A. J. Moore, formerly general manager of the Roamer Sales Company, is acting as sales manager for the Jennings Motor Sales Corporation. The Roamer is in a class of its own and is attracting a great deal of favorable comment. The car is becoming widely known as one of America's smartest cars and is figuring in many motion picture plays. Not only has the car appeared in the theaters but a number of movie stars have purchased this American Rolls-Royce. Among them is Wallace Reid, idolized of the feminine film fans; Willie Collier, Joseph Santley, Clara Foltz, and Myrtle Stedman.
